

Don't have the time
or resources to fill that
open position?

We do.

Integrated Associates doesn't just find someone to fill your personnel needs—we discover the right candidate for your company. Every time. This is why we are one of the most trusted technical recruiting and consulting businesses in the nation.

Let us be your hiring manager, offering solutions in:

- Infotech
- Finance
- Biotech
- Telecom
- Medical Device
- Health Care
- Energy
- Defense

With over a decade of proven success, we have built a foundation of trust with people like you, by introducing high-level candidates into positions that require unmatched ethics and integrity. Whether you're part of a mid-sized organization or Fortune 500 company, we treat every client like our greatest asset.

And like you, we have built our business around essential core values.

These include:

- Integrity
- Teamwork
- Respect
- Stewardship
- Expert Customer Service

We will provide the solutions to your temporary, temp-to-hire and direct placement requests. Our partnership with you will make certain that you're getting the most qualified and inspired candidates available. Contact us today.
